

## FAQ – List: Coupe de la Jeunesse

### What are the entry requirements for Austria?

The 3-G rule currently applies in Austria:

**vaccinated, tested or recovered**

Medical certificates serve to prove that the person named in the certificate:

- a molecular biological test (e.g. PCR test) or antigen test tested negative for SARS-CoV-2, or
- has received a corona vaccination, or
- has recovered from an infection with SARS-CoV-2

### What are the entry rules for the regatta course?

The 3-G rule currently applies in Austria:

**vaccinated, tested or recovered**

Procedure:

- 1) Body temperature is measured
- 2) Show 3-G
- 3) Obtaining accreditation

In the event of an increased temperature, there is the possibility of an antigen test near the regatta course.

**Normal temperature: between 36.5 and 37.4 degrees Celsius.**

**Elevated temperature: 37.5 to 38 degrees**

If this test is negative, the person is allowed to enter the regatta course and take part in the races. If the test is positive, the person must be quarantined for 5 days. People who were in contact with the "positive" tested person but were able to show negative tests and "normal" temperature values can still take part in the races and the event.

Costs caused by Corona (additional hotel / travel / food costs) are not covered by the organizer. These costs are to be borne by the respective persons or associations themselves. Any changes to trips and / or accommodation reservations must be organized by the associations themselves.

**Which documents do I have to send to [office@rudern-ooe.at](mailto:office@rudern-ooe.at) to be able to participate in the event?**

- Confirmation of the declaration of consent to the prevention plan
- Health questionnaire

**How long do I drive from the regatta course to the test road in Walding?**

The journey time is approx. 7 minutes.

**What do I have to bring with me to be tested on the test road in Walding?**

You must bring a valid ID with you to the test road.

Example: passport, identity card or driver's license

**Can I do a PCR test on the regatta course?**

Yes.

In order to get a PCR test on the regatta course you have to send a list with the number of persons, nation, first and last name of the desired persons to [office@rudern-ooe.at](mailto:office@rudern-ooe.at) by July 27th at the latest. The OC will then appoint a doctor, who will only be on the track on Friday from 7:00 a.m. to 2:00 p.m.

He can carry out a PCR test and issue an official document to you.

The price of the PCR test varies from 120-100 € and depends mainly on the number of people tested.

**Where can I do a PCR test after the event?**

In order to be able to do a PCR test after the event, you would have to talk to the doctor who offered the test on Friday at the regatta course.

This test would then be directly at his practice in Linz. You would then also have to pay the costs directly to him.

The contact details are as follows.

Medical laboratory Dr. Niedetzky

Europaplatz 7

A-4020 Linz

Tel: +43 732 666566-0

Fax: +43 732 666566-10

**What do I have to do for accreditation?**

In order to get an accreditation of a trainer, athlete or team manager you have to send a list of said persons, their first and last name and the nationality, to [office@rudern-ooe.at](mailto:office@rudern-ooe.at) by July 29th, 2021 at the latest.

You will then receive the accreditation at the entrance after you have presented all the tests as described above.

**Are spectators allowed on the stands of the event?**

Yes.

Just like the athletes, they have to prove the 3G and the temperature is also measured.

The spectators are also required to wear a mask on the entire event site.

**Do photographers need accreditation?**

No.

Photographers are like spectators. They must have a 3G certificate and the temperature is also measured.

**Is there a mask requirement at the event area?**

Yes.

With the exception of the winning bridge and the boats, masks are required on the entire event site.

As soon as you get into the boat, the masks can be removed.

**Are there shower options?**

Due to the COVID guidelines, there are unfortunately no shower facilities on the event site.

Please note and remember to discuss with the hotel early enough whether any shower facilities are possible after the last race and before the journey home.

**How long does it take to drive from the Sommerhaus Hotel to the regatta course?**

The journey time is approx. 30 minutes.

**How long does it take to drive from the Courtyard by Marriott Hotel to the regatta course?**

The journey time is approx. 25 minutes.

**Which COVID rules have to be observed in the hotel?**

The 3G rule applies in the domestic hotel industry as follows.

There is currently no mask requirement in the hotels.

But in order to minimize the risk potential, we would recommend wearing the masks in the hotels.
